Plot B, Row 16, Grave 15  
Headstone: Cross  
Epinal U. S. Military Cemetery

Dear Mrs. Warheit:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country.

Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Dear Mrs. Warheit:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Dear Mrs. Warheit:

Inclosed herewith is a picture of the United States Military Cemetery Solers, France, in which your son, the late Sergeant Carl H. Warheit, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

The War Department is most desirous that you be furnished the burial location of your son, the late Sergeant Carl H. Warheit, A.S.N. 13 038 206.

The records of this office disclose that his remains are interred in the U. S. Military Cemetery, Solers, France, plot G, row 1, grave 16.

This cemetery is located approximately sixteen miles southeast of Paris, and ten miles north and slightly east of Melun, both in France, and is under the constant care and supervision of United States military personnel.

It is anticipated that, in the near future, the War Department will receive authority to return the remains of your son, at Government expense, to the final resting place which you select. When the necessary arrangements have been completed, this office will, without any action on your part, give full information and solicit your detailed desires.

Please accept my sincere sympathy in the loss of your son.

Sincerely yours,
