Mr. Frederick Briske, Sr.

Onkama, Michigan

Dear Mr. Briske:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 30 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form to this office.

The War Department is obliged to inter in permanent U. S. Military Cemeteries the remains of World War II Dead whose next of kin do not request their return to the United States for final burial. After burial in a permanent American Military Cemetery overseas, the next of kin will be mailed the interment flag that was actually used during the military funeral service and advised of the name and the location of the cemetery, together with the plot, row and grave number in which final interment was made.

If the form, "Request for Disposition of Remains," or a reply to this letter is not received from you within fifteen days, the War Department will proceed on the assumption that you do not wish the remains returned to the United States for permanent burial.

Sincerely,

GEN. A. BURNAN
Brigadier General, GSC
Chief, Memorial Division
