Mr. Theodore H. Zech Richardton, North Dakota

Dear Mr. Zecht

Di

I an writing to you in reference to your son who gave his life in the service of his Country during the European conflict.

8001

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the army Air Forces recently completed the translation of several volumes of captured German records.

In regard to Second Lisutenant Theodore R. Zech, these records indicate that he was killed 16 August 1944, when the B-12 (Fortress) he was aboard sustained damage from enemy antiaircraft fire and crashed at Vollradisroda, which is located about twenty-five miles southwest of Erfurt, Germany. These records also state that his body was interred 18 August 1944, Grave Mumber 1, in the southeastern corner of the Cemetery of Vollradisroda.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your son's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Gommanding General of the Theater concerned.

May the knowledge of your son's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

Mr 13.R. 6-18-46 mm K.K. Brigadier General, USA Chief, Personnel Services Division Jilly 4 4-16-4 4-2.6

Mr. Theodore H. Zech Richardton, North Dakota

Dear Mr. Zech:

Thank you for the information recently given the Army Effects Bureau in connection with the disposal of funds of your son, Second Lieutenant Theodore H. Zech.

I am inclosing a check for \$243.66, representing these funds.

The transmittal of funds by this Bureau does not. of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of decedent's legal residence.

All War Department agencies are under instructions to send the personal effects of military personnel to the army Effects Eureau for disposition; money, as a rule, is received by mail in advance of other property. In the event additional belongings are received at a later date, they will be forwarded promptly. Therefore, I shall appreciate your notifying us in the event there is a change in your address.

As a part of your son's property, this Eureau received U.S. Treasur, check, payable to him, in the amount of \$100.00. This check could not be cashed here and, therefore, in accordance with existing regulations, was sent to the General Accounting Office, Wash'ngton 25, D. C., for proper dispositior. For further information in this regard, you should communicate directly with that office.

I wish to express my sympathy in the loss of your son.

Sincerely yours.

C. B. GJIMN 2nd Lt., GWC Chief, Files Branch

Dear Mr. Zecht

The Army Effects Bureau has received certain funds which belonged to your son, Second Lieutenant Theodore R. Zech.

This is the only property of Lieutenant Zeah received here to date; however, money ordinarily is transmitted from overseas by mail, in advance of other effects.

To make proper disposal of these funds, it is necessary that we have certain information regarding your son's family. I will appreciate your informing us whether he was married and, if so, the name and address of his widow.

In addition, if Lieutenant Zech left a Will which has been probated, the original or a certified copy of the Latters Testamentary should be sent here for inspection. Any papers that you send us will be returned promptly.

For your convenience in replying, there is inclosed an addressed envelope which needs no postage.

Yours very truly,

Richardton, N.D. July 13, 1947,

The Quartermaster General, Chief, American Graves Begistration Service.

Washington, D.C.

Gentlemen :-

I <sup>A</sup>m writing this to you with the view of obtaining some definite information as to the location of burial of my son 2nd Lt. Theodore R.Zech, O-711526, with the 305th bomb group APO 140, N.Y. who, it is claimed, was shot down and killed when aboard B-17 (fortress) on August 16th '44, in the capacity of navigator, My first and also the last information I had was dated April 16, '46 that the fortress was brought to the earth by enemy antiaircraft fire at Vollradisroda, which is located about 25 miles from Erfurt, Germany. As to location of burial or date no further information has so far been received from the War Department.

Can you clear this matter up to me and if the above mentioned area is occupied by whom at present. My present plan is to move the body home as soon as possible-however, so far, no questionaires or other information has been received telling of the methods.

Awaiting your kind reply.

Yours truly,
