Dear Mr. Domladovac:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Sir;

I was given the above address by a former American soldier who was stationed in Frankfurt. I am writing to you hoping that you may be able to help me in getting information about my brother's grave.

Our last official word was that he is buried in Vossenack, near Duren, Germany. This information was given to the International Red Cross by the German Government. I would deeply appreciate any further word or proof that you may be able to impart.

My brother's name was:

Please accept our sympathy in this great loss which you have sustained.

Dear Miss Domladovac:

I am writing to you in reference to your brother who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to Second Lieutenant Steve Domladovac, these records indicate that he was killed on 1 December 1943, when his B-17 (Fortress) bomber sustained damage from enemy antiaircraft fire and crashed near Germeter (50° 42' N - 6° 21' E), Germany. These records also state that your brother's body was recovered and identified and that his remains were interred on 8 December 1943, in the community cemetery at Vosenaek (50° 41' N - 6° 23' E), Germany. The remains of eight of his fellow crew members were also interred in the same cemetery.

The Quartermaster General, in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. The Quartermaster General will furnish you with definite information of your brother's burial location, should this information be received from the Commanding General of the Theater concerned.

May the knowledge of your brother's valuable contribution to our cause sustain you in your bereavement.

Sincerely yours,

LEON W. JOHNSON

Dear Mrs. Domladovac:

The Army Effects Bureau has received for disposition certain funds which belonged to your son, Lieutenant Steve Domladovac, Jr.

This is the only property of Lieutenant Domladovac received here to date, however money ordinarily is transmitted from overseas by mail, in advance of other personal effects.

To dispose of these funds in accordance with existing instructions, it is necessary that we have certain information regarding his family. For this purpose I am inclosing an application and affidavit form, with the request that you complete and return it to this Bureau. Your local American Red Cross representative will help you on this, if necessary.

The money will be released as soon as possible after receipt of information needed for decision as to appropriate receipt.

For your convenience in returning the form, there is inclosed an addressed envelope which needs no postage.
