Dear Folks,

Just a few lines again
to let you know every thing
is fine with me and hope
every thing is likewise with
you all back home. There
is very little to write ex-
cept for you not to worry.
I'm in good physical shape
and am doing pretty fine.
Under the conditions every-
thing is going satisfactorily
so please don't worry. I
am doing a lot of reading
lately so most of my time
is being wasted. I get

sufficient exercise by playing
football and basketball
pretty near every day. That's
all for now so I'll close
my all my love to you
all. My regards to everyone
and back home. Love - Dick.
