2. A review conducted by this Office has revealed discrepancies in the identifications as established for several of the deceased referenced in the preceding paragraph, and has resulted in the determination that identification of the remaining unknowns might be accomplished. More specifically, a comparison of the tooth charts of all deceased and dental records of the applicable crew members reveals that the identity of SIMONS, NELSON and RUSSELL, is incorrect. The tooth chart of the Deceased "Identified as SIMONS", does not agree with dental records of SIMONS, but does agree favorably with those of RUSSELL and the tooth chart of the deceased "Identified as NELSON", agrees with dental records of SIMONS, but not with NELSON. RHINELANDER

Dear Mrs. Simons:

I am writing to you in reference to your husband who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to First Lieutenant Robert W. Simons, these records indicate that he was killed in action 12 May 1944, when his B-17 (Fortress) bomber crashed in the vicinity of Dauborn (50° 20' North Latitude, 8° 11' East Longitude), Germany. These records also indicate that he was interred in the community cemetery of Hofgadenai, located on the outskirts of Dauborn. Of your husband's crew of ten men, one has been returned to the United States. These records list nine unknown dead as recovered from the same crash. It can be assumed that your husband is one of the unidentified crew members.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your husband's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your husband's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

LEON W. JOHNSON

Dear Mrs. Simons:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your husband, First Lieutenant Robert W. Simons.

1 Carton and 1 Package
1 Bureau check for \$97.49 - Inclosed

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your husband.

Yours very truly,

A. G. SCHUMACHER
