1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**
3. Reimbursement by the government is made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. Broyles:

Thank you for the information furnished the Army Effects Bureau in connection with personal property of your son, S/Sgt. Delmar C. Broyles. I am returning the Power of Attorney which you submitted.

I am inclosing a check for \$130.76 which is the only property belonging to him received at this bureau.

My action in forwarding these funds does not, of itself, vest title in you. The money is transmitted in order that you may safely keep it on behalf of the owner, pending his return. In the event he is later reported as a casualty, the funds should be distributed according to the laws of the state of his legal residence. I sincerely hope that such distribution will not be necessary.

Please acknowledge receipt of the check by signing one copy of this letter in the space provided below and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

All War Department agencies are under instruction to forward personal effects of military personnel to the Army Effects Bureau for disposition; money, as a rule, is converted to a check and transmitted by mail, in advance of other property. You will be notified promptly in the event we later receive additional belongings of your son.

Yours very truly,
