Dear Mrs. Major:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Dear Mrs. Major:

I am writing to you in reference to your son who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to Staff Sergeant Charles A. Major, these records indicate that he was killed 16 August 1944, when the B-17 (Fortress) he was aboard sustained damage from enemy antiaircraft fire and crashed at Vollradisroda, which is located about twenty-five miles southwest of Erfurt, Germany. These records also state that his body was interred 18 August 1944, Grave Number 3, in the southeastern corner of the Cemetery of Vollradisroda.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your son's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your son's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

LEON W. JOHNSON

Narrative of Investigation  
Vollradisroda, Germany  
(M 51/J 66; 1/250,000)

In accordance with instructions in letter Hq AGRC, dated 23 September 1947, file RRE 293.9 (IB), subject Isolated Burials, case # 2429, the undersigned with combined search and disinterring team # 2 and Russian Escort Officer, Lt. Kurdu-koff, arrived at Vollradisroda, Germany (M 51/J 66; 1/250,000) at 1140 hours 31 March 1948 to investigate.

The burgermeister of Dobrtischen and civilian Herr Lorenz at Vollradisroda were contacted and the cemetery records were examined. (See attached statement of Herr Lorenz and extract of cemetery records).

It was reported that at about 1100 hrs on 16 Aug 1944 an American plane exploded in the air near the village of Vollradisroda (M 51/J 66). One parachute was seen to open and the flyer reached the ground safely and was taken prisoner. Eight bodies were found in the vicinity of the plane crash. These bodies were picked up by the civilians of the village and buried in caskets in a common grave in the village cemetery. The cemetery records show the names as appear on MACR # 8436 and the order in which they were buried (see attached extract of cemetery records) as well as ASN's of seven of the deceased.

It is concluded that this is the grave of the eight casualties in subject case.
