EXPLANATION OF BOX "A"

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF BOX "B"

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mrs. Virginia M. Moyer
2122 Dorland Drive
Whittier, California

Dear Mrs. Moyer:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Mr. Leonard E. Moyer
Post Office Box 334
Downey, California

Dear Mr. Moyer:

Your letter to the Adjutant General concerning your brother, the late Technical Sergeant Edwin N. Moyer, has been referred to this office.

The official Report of Burial discloses that the remains of your brother were interred in Plot H, Row 2, Grave 33, in the United States Military Cemetery Neuville-en-Condroz located nine miles southwest of Liege, Belgium.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a "Letter of Inquiry--Return of World War II Dead" will be sent to the next of kin of those American dead. The response to this letter will constitute a formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the records here, communications with this office regarding this subject will not be necessary. The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when this letter will be mailed. Responses to these letters will be acted upon with a minimum of delay.

Please accept my sincere sympathy in the loss of your brother.

Sincerely yours,

JAMES L. PRENN

Dear Sir

I am writing to inquire about a number of things first off I wonder if I could have records checked and find out as to what I am intitled too second I would like to check and see what informational can get on my brother who was missing in action for some time and then was reported killed in action his name rank and serial number was ²⁹³ Dick Largent Edwin M. Moyer ASN-39249001 what I would like to know is just what happened to his remains for I understand they are going too transport the remains of some 300,000 body or remains home what I would like is as much information as I can get it will surely be appreciated. as for my self I will tell you what I can -

I went overseas and was assigned
to H co 57 combat Engs I was in the
American Division ~~on~~ served from
from November 1943 to January, 1945 in the
engineers in January I was transferred to
H co ^{3 B Co} of the 182 regt in the American
when we went from the solomons
to the Philippines I was in the infantry
in February we were moving up in
Leyte in March we made a invasion
on Cebu in the next few weeks
I came down with the dysentery
and was evacuated to 126 General Hospital
but while we were in ~~the~~ Leyte another
fella and myself were leading the platoon
he was scouting I was carrying a ~~bar~~ r
when our second b. a. r. man got
shot by a sniper what they had
tried to do was get the bar men
so they put the two of us forward
so if they got one we would
still have one up front for protection

when I ⁴ left the hospital I was
non combat but they sent me
back to my original unit the
57th combat Engrs that was in June
of 1945. I stayed with Hq. Co. and in
~~August~~ August we went to Japan
a month later I was sent home on
rotation as I said before I left Japan
on the 30 of September and was discharg-
ed on 16 of October that is about all
I can tell you except that I will
heartily be pleased ~~also~~ with what
ever is done for. I wish I could
write like this and get my brother
back. but that can't be done
so this is about all I can do.
so far I have been awarded the
Good conduct medal; Philippines
liberation ribbon with bronze star
+ Pacific Campaign medal

3

I also was lured if I were int-
italed to a dragon arrow head for
we made up the second wave
on blue. and any japan ribbon
I may be intitaled too. I suppose
you may think it funny that after
a year I should write well I
suppose I am one of many who
wanted nothing more than getting
out of service well it took me
some time too realize what a fool
I was but I know now so I
suppose you have a lot of things
to do and I have taken up
too much of your time all ready
so I close by thanking you
for your time and patience and
friendship Leonard -

Thanks for everything

Yours Truly

Dear Mrs. Moyer:

I am referring to the letter from this office dated 22 July 1946 concerning the death of your husband, Technical Sergeant Edwin E. Moyer, 39,249,001, Air Corps.

Additional information received in the War Department indicates that the presumed date of death was changed to killed in action as of 22 September 1944 based on burial information received from the Commanding General, European Area. Any request for additional information concerning disposition of remains should be addressed to The Quartermaster General, Washington 25, D. C.

I realize how futile any words of mine may be to assuage your grief but I trust that the knowledge of your husband's heroic sacrifice in action may be a source of sustaining comfort to you in your sorrow.

You have my deepest sympathy in your bereavement.

Dear Sir,

Received your letter this morning and want my husband's personal papers and wallet by all means. Please tell me something, was this suppose to be taken off of him after he was killed, or were they found some where else. Please answer me truthfully as this means an awful lot to me. You see I still don't believe that he was killed, & I won't till I've had definite proof.

You I live at the same address which is 2122 Norland dr, Whittier, Calif. Please send the things as soon as possible as I'm anxious to get them.

Dear Mrs. Moyer:

The Army Effects Bureau has received some additional property of your husband, Technical Sergeant Edwin M. Moyer. This property consists of a personal paper and a wallet.

It is my intention to forward this property to you; however, in view of the lapse of time since our previous correspondence, I shall appreciate it if you will first confirm your address.

Not infrequently, due to exposure to the weather and other natural conditions, certain articles received here have a peculiar or sometimes even disagreeable odor. Such an odor may develop from the length of time the articles have been packaged in transit from overseas. These personal effects of your husband received here are in this condition.

Since it is our desire to spare the recipient any avoidable unpleasant reaction, I wish to acquaint you with this condition and ask that you tell me whether you, nevertheless, desire these articles sent you.

Your reply may be made at the foot of this letter, if desired, and mailed in the inclosed self-addressed envelope which needs no postage.

Dear Mrs. Moyer:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your husband, Technical Sergeant Edwin N. Moyer:

- 1 carton and contents
- 1 medal (Registered Mail)

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your husband.
