10-1-43 WENT ON PRACTICE FLIGHT TODAY. PRACTICED FORMATION LET-DOWNS THROUGH THE CLOUDS. SUPPOSED TO HOME ON RADIO STATION NEAR FIELD AND THEN PEEL OFF AND LET DOWN. FIVE OF US HOMED FOR 20 MIN. ONE BACK OF THE OTHER IN A LINE. 20 MIN. WAS TOO LONG BUT WE LET DOWN ANYWAY. CAME OUT OVER WATER 10 MI. FROM THE DUTCH COAST. GERMANS HAD JAMMED OUR RADIO STATION AND WE WERE HOMING ON A GERMAN STATION STRAIGHT INTO GERMANY. LOADED OUR GUNS IN A HURRY AND HEADED BACK FOR ENGLAND. 5 MIN. MORE AND WE WOULD HAVE BEEN WELL OVER HOLLAND WITH PROBABLY 50 GERMAN FIGHTERS WAITING FOR US TO HOME IN TO THEM. THESE GERMANS ARE PLENTY SMART!

10-2-43 MISSION #2. EMDEN, GERMANY--TRANSPORTATION CENTER IN NORTHERN GERMANY. 2ND GROUP, HIGH SQD. 23,000 FT. BOMBED THROUGH CLOUDS USING PATHFINDER LEADER. 180 B-17'S IN THE RAID. AFTER LEAVING TARGET, ENEMY FIGHTERS PICKED US UP AFTER WE LEFT TARGET. NONE GOT IN OUR FORMATION, HOWEVER. THIS FLAK REALLY SCARES YOU TO DEATH. LOOKS SO PRETTY AND HARMLESS FLATING IN THE AIR. TUBBY GOT A BURST IN AT A 109 THAT BARREL-ROLLED UNDER US. TWO 17'S DROPPED OUT OF FORMATION WITH ENGINES FEATHERED. "OLD TEX" WAS REALLY SWEATING OVER THE TARGET.

10-3-43 PRACTICE MISSION TODAY. PRACTICED WITH THE "G" BOX.

10-4-43 MISSION #3. HANAU, GERMANY. FRANKFURT RUBBER WORKS. BIGGEST RUBBER PLANT IN GERMANY. 300 MILES INLAND. NINE GROUPS. WE WERE IN THE LEAD GROUP. 2½ HRS. OVER GERMANY & FRANCE. THE LEAD NAVIGATOR GOT LOST AND BOMBED ST. DIZIER, FRANCE. LOOKED JUST LIKE HANAU, GERMANY. FIGHTERS (ME 109'S) ATTACKED US AT THE TARGET. NINE 109'S ATTACKED US HEADON 30 MIN. LATER. WE HIT A CLOUD OF FLAK AT THE SAME TIME. WE WERE HIT BY FLAK IN THE WING--A NICE HOLE. THE 109'S PEELED OFF ONE BY ONE AND CAME IN HEADON. I GOT SOME GOOD BURSTS IN AT 10:00. ONE 17 FEATHERED A COUPLE OF PROPS & DROPPED DOWN. THE 109'S LINED UP & TOOK TURNS ON HIM. THEY PROBABLY GOT HIM. 20 MIN. LATER WE RAN INTO MORE FLAK. NINE MORE 109'S ATTACKED FROM HEADON. THINK WE GOT A COUPLE OF THEM THIS TIME. WE THEN HIT THE DUTCH COAST & ACROSS. ONE '17 CRASHED IN ENGLAND. SHOT UP TOO BAD. ALL OF THE CREW

10-12-43 ALERTED THIS MORNING FOR A RAID ON EMDEN, GERMANY. TOOK OFF AT 1030 AND CLIMBED TO ALTITUDE AND THEN THEY SCRUBBED THE MISSION AND WE LANDED. FOG OVER ENGLAND & VISIBILITY ABOUT 800 YDS. THEY SENT A FEW OVER EVERY NIGHT AS A NUISANCE JUST TO KEEP US AWAKE.

10-14-43 MISSION #5. SCHWEINFURT, GERMANY. BALL BEARING WORKS. HOW WE EVER GOT BACK FROM THIS ONE I STILL DON'T UNDERSTAND! FOUR HRS. OVER GERMANY AND THREE HRS. UNDER FIGHTER ATTACK. FLAK OVER THE TARGET WAS LIKE A CLOUD AND VERY ACCURATE. EXACTLY AT OUR ALTITUDE. WE WERE HIT THREE TIMES. TAIL, WING, AND GLASS NOSE BROKEN. KICK OFF WAS AT 1030. LEFT ENGLAND AT 1330. P-47 ESCORT 20 MI. INSIDE GERMANY. WHEN THEY LEFT. THE 109'S STARTED ATTACKING AND CONTINUED FOR FOUR HRS. WE WERE "TAIL END CHARLIE" TODAY. IN PURPLE HEART CORNER. CARRIED INCENDIARIES. CLEAR OVER TARGET AND WHEN WE LEFT IT WAS A HUGE MASS OF FLAMES. THE WHOLE TOWN WAS BURNING. FLAMES 500' HIGH. TWO '17'S BURST INTO FLAMES IN THE GROUP AHEAD OF US ON THE BOMB RUN. 5 MIN. AFTER THE TARGET 3 BUNCHES OF CHUTES OPENED. ABOUT 7-8 IN EACH BUNCH. 10 MIN. LATER A '17 CRASHED AND BURNED IN A FOREST. JU 88'S WERE SITTING OUT AND FIRING ROCKETS AT US. THEY HAD EVERYTHING UP TODAY. JU 88'S, M.E. 109'S, 210'S 30 MIN. LATER A '17 DROPPED DOWN AND TWO FIGHTERS WENT DOWN AFTER HIM. 20 MIN. LATER HE CAME OUT OF A CLOUD WITH HIS ENGINES SMOKING. THEY ALL BAILED OUT. OUR NO. 1 ENGINE IGNITION SYSTEM WAS SHOT OUT & IT SOUNDED LIKE A WASHING MACHINE. I'M AFRAID THINGS ARE GOING TO BE TOUGH FROM NOW ON. NO "MILK" RUNS.

10-15-43 ALERTED BUT THE MISSION WAS SCRUBBED. GROUND SCHOOL IN THE AFTERNOON. REPORT FROM WING HDQ. ABOUT THE SCHWEINFURT RAID WAS THAT 60 B-17'S WERE LOST. HIGHEST LOSS ON RECORD SO FAR FOR A SINGLE RAID.

WHEN WE GOT ON THE GROUND FOUND OUT THEY HAD SCRUBBED THE MISSION ON ACCOUNT OF WEATHER SO THE REST ALSO HAD TO COME BACK.

INCENDIARY BOMBS. OUR LEAD SHIP CALLED US UP AND TOLD US TO TAKE OVER AS THEIR INSTRUMENTS WERE OUT. WE TOOK OVER THE LEAD THEN. MUNSTER HAD A LARGE CLOUD WHICH COMPLETELY COVERED THE TOWN. HOWEVER, WE IDENTIFIED THE TOWN BY TRACKS AND ROADS COMING OUT FROM THE NORTH. FINALLY WITH 3 MINUTES TO GO WE LEVELLED OUT ON OUR BOMB RUN AND TUBBY TOGGLED THEM OUT WHEN HE THOUGHT HE WOULD BE OVER THE TOWN. THE ENTIRE WING BEHIND US DROPPED THEIR BOMBS ON OUR LEAD. WE COULDN'T SEE THE TOWN, BUT COULD SEE A FEW HOUSES TO NORTH OF TOWN. FLAK WAS FAIRLY HEAVY AND VERY ACCURATE. OUR SHIP WAS HIT 10 TIMES BY FLAK. FLAK HIT BEHIND ME ABOUT 2 FEET AND TORE UP MY JACK BOX AND INTERPHONE. ONE BOMB WENT DOWN FROM OUR GROUP OVER THE TARGET. P-47 ESCORT LEFT US

AT ROTTERDAM, HOLLAND AND 9 GERMAN FIGHTERS ATTACKED THE GROUP BEHIND US. IN ONE PASS THEY GOT TWO FORTS. THEY CAUGHT FIRE AND EXPLODED. TWO CHUTES CAME OUT FROM ONE. A FEW MINUTES LATER THEY GOT TWO MORE FORTS FROM THE SAME GROUP, ONE BLEW UP AND THE OTHER DOVE DOWN. GOT TO ENGLISH COAST O.K. AND LANDED AT 1630. REALLY SWEATING IT OUT. AS TO WHETHER IT WAS MUNSTER THAT WE BOMBED. HOWEVER, PICTURES TONIGHT SHOWED IT WAS MUNSTER. HOPE WE HIT THE M.P.I. WILL FIND OUT TOMORROW AT WING CRITIQUE. WILL BE A GOOD BREAK FOR TUBBY IF WE DID.

11-12-43 THIS MORNING TUBBY AND I GOT TO GO TO WING CRITIQUE. THE COLONELS, MAJORS, ETC. WERE VERY WELL PLEASED. THEY SAID OUR CREW WAS EVIDENTLY VERY MUCH ON THE BALL TO BE ABLE TO TAKE OVER ON SUCH A SHORT NOTICE, WITH THE TARGET ONLY 5 MINUTES AWAY AND STILL HIT THE TARGET, EVEN THOUGH IT WAS 10/10 COVERED BY CLOUDS. TOMORROW WE GO TO DIVISION CRITIQUE AND TELL THE GENERAL HOW WE DID IT. TUBBY MAY GET THE DFC!

11-13-43 SLEPT TILL NOON. WENT TO DANCE LAST NIGHT AT CLUB. EARLY THIS MORNING THE GROUP WENT ON RAID TO BREMEN, GERMANY. ONLY TWO CREWS OUT OF SQUADRON HAD TO GO. FIRST RAID SINCE WE HAVE BEEN HERE THAT WE DID NOT HAVE TO GO. WEATHER WAS BAD AND NINE OUT OF OUR GROUP ABORTED. ONLY ABOUT 40 FORTS FINALLY LEFT AND WHEN THEY GOT NEAR BREMEN ABOUT 200 GERMAN FIGHTERS RAN THEM OFF. THEY DIDN'T HIT THE TARGET. JENNINGS FLEW OUR SHIP "662" AND ABORTED OVER GERMANY SO GOT SHOT UP PRETTY BAD. 52 BELOW ZERO TODAY AT ALTITUDE. THEY SEEM BOUND AND DETERMINED TO SEND US ON RAIDS NO MATTER WHAT THE WEATHER. GENERAL ARNOLD SAID OVER RADIO THAT THERE WERE PLENTY OF REPLACEMENTS IN U.S. IN CASE OF HEAVY LOSS OF CREWS HERE. NICE! THIS AFTERNOON WE TEST HOPPED A PLANE. LAP & I FLEW AND TEX DID THE NAVIGATION IN THE NOSE. HAD A LOT OF FUN. GOING TO START DROPPING TIME BOMBS ON GERMANY. GO OFF FROM 15 MIN. TO 36 HOURS AFTER DROPPED.

11-14-43 GROUND SCHOOL AND WENT TO DIVISION CRITIQUE. REVIEWED THE DUREN, MUNSTER, AND BREMEN RAIDS. MUNSTER RAID WAS THE ONLY ONE THAT HIT THE TARGET. THE 385TH LED IT!

11-16-43 WOKE US AT 0200. BRIEFED AT 0300 AND TOOK OFF AT 0600. FOR A HYDROGEN PLANT IN NORWAY. ASSEMBLED OVER SPLASHER! 7 BEFORE IT WAS LIGHT. JUST AS WE GOT TO ASSEMBLY POINT OUR #3 ENGINE WENT OUT AND IT RAN AWAY. A FEW MINUTES LATER IT CAUGHT ON FIRE. NOT TOO LARGE A FIRE SO WE STAYED WITH IT HEADED FOR HOME AND STARTED LETTING DOWN. ABOUT 6000 FT. WE HIT A THUNDERHEAD. THE PLANE WENT OUT OF CONTROL. DIVING AT 2000 FT/MIN. & STILL STALLING AT 110 P/HR. ALMOST WENT OVER ON ITS BACK AT 1000 FT, TEX & LAP GOT IT LEVEL FOR A MINUTE AND RANG THE BELL TO ABANDON THE SHIP. TUBBY AND FIVE OF THE G NERS BAILED OUT OF THE WAIST. I GOT TO THE ESCAPE HATCH IN THE NOSE, GOT ON MY HANDS & KNEES, AND TRIED TO DIVE OUT.

ALMOST GOT OUT BUT MY WINTER HELMET CAUGHT ON THE SIDE OF THE HATCH. I CLIMBED BACK IN, SCREWED MY NERVES UP AGAIN, TOOK OFF MY HELMET, AND DOVE AGAIN. THIS TIME MY HEAD AND ARMS AND SHOULDERS GOT OUT BUT MY BACKPACK CAUGHT ON THE SIDE OF THE HATCH AND I STUCK. I CLIMBED BACK IN LOOKING AT THE ALTIMETER AND SINCE WE WERE STILL AT 900 FT. I TRIED ONCE MORE. THIS TIME I HIT MY HEAD ON SIDE OF HATCH & CUT IT, SO I CLIMBED BACK IN & GAVE UP. LAP & TEX SEEMED TO HAVE THE SHIP FAIRLY WELL UNDER CONTROL BY THEN SO FOSTER & I STAYED. THE BURNING ENGINE COULD HAVE EXPLODED ANY MINUTE BUT IT DIDN'T. WE FLEW 10 MILES OUT IN THE CHANNEL & DROPPED OUR SIX 1000 LB DEMOLITION BOMBS THEN COULDN'T CLOSE OUR BOMBAY DOORS AFTERWARDS. HUNTED FOR 30 MIN. FOR AN OPEN FIELD AND FINALLY FOUND A P-47 FIELD NEAR IPSWICH. LANDED AND JUMPED OUT AND PUT OUT THE FIRE IN THE ENGINE. RECEIVED WORD LATER THAT ALL THAT BAILED OUT WERE SAFE. THEIR CHUTES HAD HARDLY OPENED BEFORE THEY HIT THE GROUND. TUBBY & RIGGS SPRAINED THEIR ANKLES. LAP & TEX DID A GOOD JOB IN KEEPING THE SHIP IN THAT THUNDERSTORM.

DURING THE BOMB RUN THE HIGH SQUADRON WAS DIRECTLY OVER US AND WE HAD TO MOVE AROUND TO PREVENT THEIR DROPPING ON US. SCARED US PLENTY.

WE BROKE OUT OF CLOUDS ABOUT 10 MIN. LATER. ONE FORT DROPPED DOWN ON THE DECK AND 5 GERMAN FIGHTERS JUMPED HIM, BUT P-38'S CAME TO THE RESCUE BEFORE THEY GOT HIM. 30 MILES OUT FROM THE DUTCH COAST WE SAW AN AIR SEA RESCUE BOAT HEADING EAST TO PICK UP SOME CREW. FLAK WAS INACCURATE AND NO GERMAN FIGHTERS. HAD P-47, P-38, & P-51 ESCORT. FLEW AT 28,000 FT. & 45 DEGREES BELOW ZERO. DID NOT GO OVER NORTH SEA FAR ENOUGH AFTER LEAVING TARGET. TURNED WEST TOO SOON AND PICKED UP FLAK FROM THE FRESIAN ISLANDS. THERE WERE THREE LAYERS OF CLOUDS UP TO 30,000 FT. WE LET DOWN THROUGH CLOUDS ON WAY BACK IN FORMATION AND TWO PLANES IN OUR "B" GROUP COLLIDED. THINK ONE GOT BACK. CAME BACK LAST 100 MILES AT 1000 FT. OVER THE SEA. LANDED AT 1415. ON THE WAY IN WE GOT NORTH OF COURSE AND WENT OVER THE RUHR VALLEY. WE WERE IN HEAVY FLAK FOR 6 MINUTES. ONE FORT ON OUR LEFT GOT HIT AND WENT DOWN BURNING. IT EXPLODED JUST BEFORE IT HIT THE CLOUDS. A FEW MINUTES LATER ANOTHER FORT GOT HIT AND BURNED. IT FLEW STRAIGHT FOR A FEW MINUTES AND THEN SPUN DOWN. OVER THE TARGET THE FLAK WAS HEAVY AND ACCURATE. 10/10 UNDERCAST, SO WE DROPPED ON THE PATHFINDER PLANE. ON THE WAY BACK THE GROUP AHEAD AGAIN GOT TO RIGHT OF THE COURSE AND LED US DIRECTLY OVER THE RUHR VALLEY ONCE MORE. WE WERE IN IT FOR 5 MINUTES THIS TIME. IT WAS MORE ACCURATE THIS TIME AND AT EXACTLY OUR

ALTITUDE, CAME OUT 10 MILES SOUTH OF ROTTERDAM AND GOT BACK TO ENGLAND AN HOUR LATER. LANDED AT 1500. LET DOWN OVER OUR SPLASHER THROUGH 2000 FT. OF CLOUDS. WE LOST ONE PLANE. HE ABORTED ABOUT 50 MILES INLAND AND DIDN'T COME BACK. HAD p-38, p-47, & p-51 ESCORT AND DIDN'T HAVE ANY ENEMY ATTACK.

2-5-44 OUR SQUADRON DID NOT FLY TODAY. THE GROUP WENT TO A FAUKWULF (SP.?) FACTORY IN SOUTHERN FRANCE. EASY RAID, SO, OF COURSE, WE DIDN'T GET TO GO! THEY HAD NO FIGHTERS AND NO FLAK. WE LOST TWO CREWS IN YESTERDAY'S RAID INSTEAD OF ONE AS WE HAD THOUGHT. SELBY FINISHED TODAY. SOUBART FINISHED HIS 25 MISSIONS YESTERDAY. GOOD FOR THEM!

We were bombing Hamberg Germany, on my next to the last mission, at 25000 feet. Over the target we were hit by flak from the ground, which knocked two engines out. We had to leave the formation and drop down and back. 10 minutes later two German fighter planes spotted us and attacked us head on. They knocked one more engine out. We then were at 6000 feet and going down 1000 feet a minute with one engine on fire. The German fighter planes were circling and getting ready for the kill, so we decided that if we kept flying we would never make it back to England and would have to ditch in the channel, which in the winter was suicide. We all bailed out thru the bombay. I was fairly sure we were over Holland and not Germany.

I hit the ground and hid my parachute and opened my escape kit and got my compass and silk maps out and started walking southwest. I walked to the nearest farm house and the lady there showed me where I was on the map. I then walked for four hours and met a Dutchman on a bicycle who I stopped and when he finally realized who I was put me in a ditch to hide and came back for me at 10:00 p.m. He then took me in a town to a house where I stayed one week. While I was there they gave me civilian clothes and a false I.D. card. I was a druggist from Amsterdam.

I was told to go to Spain where I would be free. I traveled by train following a Dutchman. I stayed at nights with safe Dutch people. I had to walk across the Holland-Belgium border and stayed one week in a haystack. I got as far as Liege Belgium when the allied invasion started so they told me to stay put and wait for the U.S. army to arrive. I stayed in Liege for two months waiting for the U. S. 1st army to arrive. Then I was free.

I had many interesting experiences while traveling around. At one train station I ate dinner with two German soldiers and I never said a word. Crossing river bridges was always an experience. They had German guard houses on both sides and every 10-15 people were pulled in and interrogated. I finally figured it out so I timed it so I was always the 1st or 2nd to go by the guard house. I stayed in many towns in Holland. Roermond, Venlo, Endhoven, Ermelo. In Roermond I stayed one month in a house without looking out of a window for the whole time.

From Liege I rode an army truck to Paris where I was flown back to London. In London I was promoted one rank, given \$1500 in back pay, a new uniform, and put on a boat to New York
