Somewhere in England

Dearest Mom & Dad,

Here I am all safe and well. Had a nice trip and haven't been sick. It seems like ages since I've received any mail, so when you get this address I want you to write real soon. I'm not allowed to tell you much about my trip but I can say that it was very interesting. The people here are very friendly and we have a nice base. So far, I'm not a bit homesick for the states, the reason, I guess, is that this country is so much like our own. I did not hear from Milton, H.C., or Lisa before I left so when you write give me all the news. Also I want you to look for Lisa's letters and see if you can find her home address. Any one you write to you can give them my address because I'd like to get in touch with everyone. Got my address book. Well that's all I have to be all for this time. Hope you have fun soon.
Write soon
Done.
